BlackBerry Bridge technology

New BlackBerry® Bridge™ features let your BlackBerry smartphone act as a keyboard and mouse for your BlackBerry PlayBook, giving you wireless remote control of your tablet. Perfect for pausing a movie when your BlackBerry PlayBook is connected to your TV with an HDMI connection. Edit a document or browse a webpage on your BlackBerry smartphone and view it all on a larger display. BlackBerry Bridge lets you switch screens for easy viewing on your BlackBerry PlayBook. With BlackBerry Bridge, you can also use BBM™ on the BlackBerry PlayBook tablet so you can chat with your closest contacts while you browse the web or watch a movie.

BlackBerry App World

The BlackBerry PlayBook has all your favorite apps and thousands more. Games like Angry Birds and Cut the Rope, social networking sites like Facebook®, and even your favorite books from Kobo™. The apps you want are here for you to discover in the BlackBerry App World™ storefront.

BlackBerry Video Store²

Thousands of movies and TV shows are now available on demand to rent or buy. Download new releases or old favorites when you're on the go and watch with the BlackBerry PlayBook tablet's vivid display. With a built-in HDMI connection you can easily plug your BlackBerry PlayBook into your TV to enjoy videos at home too.

An outstanding web experience

The 4G BlackBerry PlayBook puts the power of the Internet at your fingertips with a blazing fast Webkit engine supporting HTML5 and Adobe® Flash®. Plus, the new browser reading view is designed to make websites easier to enjoy by eliminating page clutter at the touch of a button. What's left is a cleaner format that lets you read the web like you would an eBook.

BlackBerry PlayBook gets it done

The BlackBerry PlayBook tablet gives you access to your business applications and productivity tools so you can leave the bulky laptop behind. And with the powerful BlackBerry PlayBook OS, trusted BlackBerry security and apps like Documents To Go® and Print To Go, your BlackBerry PlayBook will always be ready to work at a moment's notice.

Performance powerhouse

The BlackBerry PlayBook tablet is intuitive and easy to use with simple gestures that make buttons a thing of the past. Beneath its polished surface, BlackBerry PlayBook packs a blazing fast dual-core processor, two HD 1080p video cameras and 1 GB of RAM for a high performance experience that is up to the task – whatever it may be.

The best of BlackBerry comes built-in

Connect with friends, family and business associates virtually anytime, anywhere, with the new 4G BlackBerry PlayBook tablet. With built-in email that lets you create, edit and format messages, and built-in contacts app and social calendar that connect to your social networks to give you a complete profile of your contacts, including recent status updates, the BlackBerry PlayBook helps you seize the moment and share it even sooner, thanks to new 4G connectivity.

Video chat¹

Because nothing beats face-to-face collaboration, your 4G BlackBerry PlayBook is equipped with a stunning, crisp display, two HD video cameras and stereo speakers for video chatting between PlayBook tablets. Plus with real multitasking, now you can be checking movie times online while you chat with a friend or reviewing a presentation while you chat with a colleague.
